Pneumonia and Bronchitis Carry Off One-Third of the Human Race.

It is not generally known that pneu monia and bronchitis carry of one third of the human race, but such are the facts, and what is more surprising, both of the above diseases result from neglecting a common ordinary cold. A cough should never be neglected. If it is, every time you catch cold you cough harder, and it sticks by you longer. Ballard's Horehound Syrup is the best remely in the world for pneumonia, bronchitis and all throat and lung troubles.
